Friday, September 7th - Contract Female Selection and Field Day

Bred females will be available at Private Treaty.

7 AM – Coffee and Breakfast at Park Pens.

8 AM - Bred Female Contract Selection and Private Treaty Offering – Park Pens

12 Noon - Lunch in Alan pasture – Entrance across HWY 24 from Remuda on the North side of the HWY (Rain plan Remuda)

1:26 PM - Retired Herd Sire Auction at Remuda Pens

2 PM - Field Day Speaker – Dr. Jim Sanders, Professor of Animal Breeding and Genetics at Texas A&M University.

He will be speaking about the origins of the Beefmaster breed. Due to order in which the Beefmaster developed, it appears that Tom Lasater inadvertently stumbled onto a superior animal with his bos indicus blooded composite. Dr. Sanders will discuss the way in which the breed was put together as well as the continued heterosis when you breed a Beefmaster sired F-1 to a Beefmaster bull.

4 PM - Touring the 2006, 2007 and the 2015 pairs

6 PM - Steak Dinner at Alan pasture (Rain plan Remuda)

Saturday, September 8th – Production Sale

7:30 AM – Coffee and Breakfast at Remuda Pens

9 AM – Office open at Remuda Pens for Buyer's to receive numbers

10 AM – Bull Sale at Remuda Pens
