Dear Friends:

We hope this finds you well and that we'll see you at our annual field day and sale on September 7<sup>th</sup> and 8<sup>th</sup>.

We are very excited to have Dr. Jim Sanders from Texas A & M speaking at our field day.

As many of you know we had a very mild winter and had no rain until July. We have an excellent set of uniform bulls for sale. They were videoed just after their horns were tipped and they were BSE'd.

That said, I am sure you will be impressed with the condition of the bulls ..... now that we have green grass and the grama grass is headed out, they are turning it on. I pray the fall rains keep coming. The mornings are cool.

Attached is a data sheet on the bulls we will sell September 8<sup>th</sup> at 10 am here at the ranch. Let us know if you would like to be sent a DVD of the bulls (all of the sale information is available on our website).

Our web address is: [www.DaleLasaterRanch.com](http://www.DaleLasaterRanch.com)

If you are not able to make the sale, we are ready to assist you in your selection and purchase. Give us a call.

We offer free delivery to central locations on any purchase of five bulls or more. Enclosed is a credit of \$500 to apply to any purchase of \$5000 or more.

We look forward to seeing you here at the sale.

Best Regards,
